

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

لقد خلقنا أحراراً، لا ننتمي إلى أي إنسان، بل ننتمي إلى الإنسانية. ننتمي إلى الله تعالى الذي ابتدعنا من نوره وباركنا بالعقل، الذي هو نفحة من معرفته.

لقد بلغنا سن الرشيد، وتطورنا من القصص والحكايات والطقوس، إلى الإيمان والحكمة والمعرفة. العقل هو نبيُّنا وهو رسول الله فينا، وهبهُ الله للجميع ومن دون تمييز؛ فالذين اعترفوا به وأطاعوا حكمته كُوفئوا بالنجاة والخلص.

إننا عُقَالٌ مُّوَجِدُونَ، لأننا اعتمدنا العقل وهو غايتنا وخلصنا، ووجدنا الله تعالى.

WE WERE BORN FREE, WE DO NOT BELONG TO ANY PERSON, BUT WE BELONG TO HUMANITY. WE BELONG TO GOD AL-MIGHTY WHO CREATED US FROM HIS LIGHT AND BLESSED US WITH THE MIND, WHICH IS A SPARKLE FROM HIS INTELLIGENCE.

WE HAVE MATURED AND PROGRESSED FROM TALES, STORIES, AND RITUALS, TO FAITH AND WISDOM AND KNOWLEDGE. THE MIND IS OUR PROPHET AND HE IS GOD'S MESSENGER IN US, GRANTED BY GOD TO ALL WITHOUT DISCRIMINATION; THOSE WHO RECOGNIZED HIM AND ABIDED BY HIS WISDOM WERE REWARDED WITH SAFETY AND SALVATION.

WE ARE SAGE UNITARIANS, BECAUSE WE ABIDED WITH THE MIND WHO IS OUR DESTINATION AND SALVATION, AND WE CONFESSED THE ONENESS OF GOD AL-MIGHTY.
